

NASCA
CONTROL SOLUTIONS

Welcome to Nasca Control Solutions (Pty) Ltd, a dynamic force in the area of firefighting and fluid control solutions. Established in 2018, we have swiftly emerged as a prominent player in the industry, driven by a passion for service excellence, unwavering commitment to quality, and a relentless pursuit of being at the forefront of innovation.

At Nasca Control Solutions, we take pride in our diverse product range, featuring renowned local brands such as Fira, Safety Plus, Turfit, Leyon, and Herkule. Each brand has been meticulously crafted to target specific markets, setting industry standards and positioning themselves as leaders in their respective niches.

Our one-stop-shop approach is a testament to our dedication to meeting all your fire fighting equipment requirements under one roof. Whether you are seeking fire equipment, spares or pipe fittings, Nasca Control Solutions has you covered. We understand that your needs are diverse, and our extensive product range reflects our commitment to providing comprehensive solutions.

What sets us apart is not only the superior quality of our products but also our commitment to offering the best prices in the market. Nasca Control Solutions is proud to be synonymous with competitiveness,

ensuring that you receive exceptional value for your investment. We understand the importance of cost-effectiveness without compromising on the excellence of our offerings.

Our journey is marked by a relentless pursuit of excellence, and we back our products with a level of service that is unparalleled in the industry. Nasca Control Solutions is not just a supplier; we are your partners in safety and firefighting. Our team is dedicated to ensuring that your experience with us is seamless, from product selection to delivery and beyond.

As we continue to grow and evolve, Nasca Control Solutions remains committed to being your trusted partner for top-tier firefighting equipment. Thank you for choosing us, and we look forward to serving you with excellence, innovation, and unbeatable value.

Why Choose Nasca CS?

- ▶ **Safety Expertise:** Our team of experienced professionals understands the complexities of fire safety and is committed to guiding you through the process of selecting the right solutions for your unique needs.
- ▶ **Quality Assurance:** We believe that your safety is non-negotiable. That's why our products undergo rigorous testing and quality checks to ensure they perform flawlessly when you need them most.
- ▶ **Local Understanding:** Situated in Durban, we have a deep understanding of the fire safety challenges faced by our local community. This insight enables us to provide tailored solutions that address specific risks.
- ▶ **Innovation for Impact:** We stay abreast of the latest advancements in fire safety technology, offering you innovative solutions that empower you to stay ahead of potential hazards.

Our Brands

Mission Statement:

"At Nasca Control Solutions (Pty) Ltd, our mission is to be the unrivaled provider of comprehensive firefighting equipment and fluid control solutions. Committed to service excellence, quality, and affordability, we strive to ensure the safety and efficiency of our clients by offering a diverse range of leading brands. We aim to be the go-to one-stop-shop, meeting all requirements and exceeding expectations, while fostering a culture of innovation, sustainability, and exceptional customer service."

Vision Statement:

"Aspire to lead: Nasca Control Solutions envisions a future where our brands - Fira, Safety Plus, Turfit, Leyon, and Herkule - stand as synonymous with excellence in their respective industries. We are dedicated to continuous growth, becoming the preferred choice for our clients through cutting-edge solutions, unwavering commitment to quality, and a steadfast focus on customer satisfaction. Our vision extends beyond products; we aim to be a driving force in setting the standard for industry benchmarks and to have a national footprint."
